

EASTER FLOWERS

Remember last Easter? Maybe not so much as no one was able to attend any of the Sacred Liturgies for Palm Sunday, Holy Week and Easter because of the lock-down caused by the Coronavirus!

This year will be different. Church is "open for business" for Palm Sunday. Masses will be at 4:30pm Saturday at SMSC, Sunday 9am at SH, 9:30am at SMSC and 11am at SC. Blessed palms will be available for those attending Mass as they leave. Therefore, Palm Sunday is 'kind of' back on track.

Nevertheless, we started something last year that ended up being a nice reminder of God's beauty even in darkened times.

We are pleased to offer Easter Blooming Plants for sale once again. Many people purchased them last year and they enjoyed them throughout Holy Week and Easter. Some even planted them in their yards and await their spring birth when the warmer weather returns.

Order forms are in the March 14th bulletin, at the exits of the churches, on the CPR Parishes website, and in the media box outside the main office in Cheboygan. Prepaid orders can be placed in the mail drop-off slot in the door at the main office, or mailed as long as they are received by 4pm on Wednesday, March 17. Sorry, no phone or credit card orders.
